

# South Lake Alliance Children's Museum of Art and Science

*There is Art in Science as there is Science in Art*

## Clearlake Wildlife Youth Art Project After School Program

This is a FREE art educational opportunity to all students who want to create a wildlife mural for our county. Currently we have eleven youth art murals from students in our community. Students draw a picture of a native wildlife creatures of Lake County in their natural habitats. Completed drawings are posted on [www.facebook.com/clearlakeartproject](http://www.facebook.com/clearlakeartproject) website for sponsorship. Sponsored students will take their original 12"x12" drawing and reproduce it onto a 4'x4' board mural to be mounted on a public or city building in Lake County.

NAME OF CREATURE: \_\_\_\_\_

### RULES

- Draw a picture on the 12"x12" paper that we provide, of a wildlife creature and its natural habitat.
- Use color pencils and/or pastels.
- Mammal, Fish, Bird, Reptile, Insect must be native of Lake County.
- Create a main creature as a focal point, add friends and mix creatures to create a scene, keeping mind that your main character must stand out.
- All sessions are scheduled by appointment.
- All work is self-paced. Can work on drawing at home but, must report in at gallery at least once a week until drawing is completed.
- Once drawing is complete to the satisfaction of the student, it will be placed on the Clearlake Wildlife Youth Art Project website to be sponsored.
- Once Sponsored, Student returns to make a schedule with the Art House to create a mural for our city.
- It is possible for Parents to arrange school bus to drop off at the Art House Gallery.
- Be responsible, on time and have fun.
- Snacks are provided.

Why did you pick your creatures?

Do research about the characteristics and habitat of the wildlife creatures you choose. Find the interesting things about the creatures you are drawing.

I \_\_\_\_\_ (parents name), give permission for our child, \_\_\_\_\_ (child's name), to participate in the Clearlake Wildlife Challenge Youth Art Project. In case of a medical emergency, we give permission to the Art House Gallery and Childrens Museum of Art and Science to obtain emergency medical attention to our child during the time that they attend the Clearlake Wildlife Challenge of building a mural for our County. We give permission for the said parties to keep artwork and to use student's name and photographs for publicity with social media, newspapers and other sources.
